

Welcome to a New Season of Entertainment!

Attending live performances is one of the wonderful things about living in Washington, Iowa. We can enjoy fine artists right here and we don't have to travel to a big city or university to attend a show. For the fifth year, the Washington Concert Association (WCA) and the Washington Area Performing Arts and Events Center, (WAPAEC) two Washington non-profit community-based organizations are continuing to combine efforts in the hope of reaching an even broader audience. We continue to strive to maintain quality programming for which we have each become well known. Your support is essential to our success. This year's programs once again offer an outstanding array of entertainment for Washington area families. They are top quality presentations featuring remarkable talent.

All performances will be at the totally accessible 700 seat Hanson Auditorium of the Washington Area Performing Arts and Events Center located at Washington High School, 402 Sitler Drive in Washington.

In addition to purchasing your 2026-2027 season ticket, please encourage a friend to purchase a season ticket, become a sponsor or increase your own sponsorship gift, or volunteer to serve on our governing board. With MORE help from you, we can achieve even MORE and continue to bring nationally acclaimed artists to Washington.
